

**REQUEST FOR QUOTES
 FORKLIFT PROCUREMENT
 FOR HAWAI'I CONVENTION CENTER**

ITEM NO.	DATE OF QUESTION / RESPONSE	QUESTION / RESPONSE
Q-01	3/1/2023	5,000 lb base capacity or stated de-rate capacity on forklift capacity plate
		5,000 lb base capacity as stated in the criteria.
Q-02	3/1/2023	Weight limitation of no more than 9,600 lbs will limit forklift proposal to only one of two brands
		Weight limitaion of no more than 9,600 lbs is a criteria for bid. Please propose whatever forklift you recommend meeting the criteria of the bid.
Q-03	3/1/2023	Suggest stating minimum or maximum desired fork height in inches
		Please provide minimum/maximim height available while meeting all other criteria.
Q-04	3/1/2023	Cushion tire/chassis(small wheel and tires with thin hard sidewalls)or solid Pneumatic tire/chassis(larger tires comform to outdoor use)
		Cushion tires are a criteria for the bid. Please propose cushion tire options.
Q-05	3/1/2023	Non Marking tires-deal breaker? Can be converted at an additional cost and pass the May 31st required delivery date depending on tire availability for 16 tires.
		Non-marking tires are a criteria for the bid. Please propose non-marking tire options.
Q-06	3/1/2023	Fork Positioner necessary? The Toyota's I have now have 3 way valves. The fork positioner needs a 4th valve, lever, hosing , actuators and labor to install and will add significant cost and unknown availability and lead time to retrofit on existing lifts.
		Fork positioners are part of the criteria for the bid. At minimum, manual adjustment of fork width is required. Hydraulic positioners are not necessary.

Q-07	3/1/2023	Speed Control-Only available on one of two brands available.
		Speed Control is a criteria for the bid. Please propose options that have speed control.
Q-08	3/1/2023	Fire Extinguisher. Our lifts do not have them. We would need to check with availability of mounting bracket to add extinguisher without drilling into the OHG.
		Fire extinguishers are a criteria for the bid. Please propose options to include fire extighuisher.
Q-09	3/2/2023	The proposal packet doesn't seem to include how we are supposed to submit this bid. Is there a portal we should use?
		Please submit bid to hccrfp.com .
Q-10	3/2/2023	The second required specification for the lift states mast no higher than 8' 10". Is this the raised or lowered height?
		This is the lowered height, to allow for freight elevators and parking clearance.
