Q-001	HTA	Comment	9/10/2019	Keith Regan, CAO, HTA stated that HTA is looking for out of the box thinking regarding other options to replace the current trellis system. Currently the area below the trellis has limited use during inclement weather and during days with high temperatures. They are looking for increased usability for that space.	
Q-002	Site Walk	Comment	9/10/2019	HCC is providing a revised layout of the building to highlight the locations of the current trellis system	Closed
	AEG/HCC			See revised layout in Scout	
Q-003	Site Walk		9/10/2019	Do you want to expand the trellis system to areas adjacent to the current trellis, but not included in the trellis.	Closed
	AEG/HCC			As a design build project, HCC is open to all options that include alternative equipment, methods, materials, locations or designs that address the scope of work. If the contractor includes alternative designs, equipment, methods, locations and materials the contractor shall specify the advantages and disadvantages of the proposed alternative.	
Q-004	Site Walk		9/10/2019	Requested detailed drawings of the current trellis system.	Closed
	AEG/HCC			See detailed drawings in Scout	
Q-005	Site Walk		9/10/2019	Should Trellis over landscape department area be replaced with new design matching other locations.	Closed
	AEG/HCC			HCC is open to all options, provide recommendation and specify advantages and disadvantages	
Q-006	Site Walk		9/10/2019	Is the lighting system to be included in replacement designs.	Closed
	AEG/HCC			See Scope of Work	
Q-007	Site Walk		9/10/2019	Will there be a designated staging and disposal bin storage location on site.	Closed
	AEG/HCC			HCC will work with awarded bidder regarding staging area.	
Q-008	Site Walk		9/10/2019	Are the concrete pillar pads to be removed or resealed.	Closed
	AEG/HCC			See Scope of Work
