DATED: July 19, 2024

**I. Request for Information – Additional Site Walk**

AEG Management HCC, LLC (“HCC”) has received request(s) for an additional site walk to allow bidders the opportunity to assess the current condition of the elevator system within the Convention Center.

An optional site walk is scheduled for **Monday, July 22 at 10:00 AM**. The highlighted map and list attached below indicate the unit or area that will be accessible during this site walk for Bidders to assess current condition(s). No other escalator/elevator/area will be accessible for Bidders to view during this walk.

All other elevator/freight elevator condition is to be assumed the same as the assessed unit.

**In all other respects, the RFP shall remain unchanged.**

**Site Walk Locations:**

1. Elevator 4
2. Elevator 5
3. Freight Elevator 8
4. Machine Room
5. Escalator 11 – Pit

All other areas/units will not be accessible during this site walk. All other units are to be assumed to be in similar condition as the accessed units.
